Dear Friends

This month we are moving home. We are excited about moving into the community we became part of once again a few months back. Being an ex-project manager you can imagine what my preparation is like. There have been boxes packed for months, and they are all individually numbered and logged into the house move spreadsheet. Every detail is known and planned for and yet still they say house moving is one of the top three most stressful situations a family can be in the middle of.

But as I sit in the middle of a field relaxing and having a short break away from the business of house moves, I cannot help but reflect on how even the fact that I have a choice about moving home places me firmly in the class of the wealthy. Our television screens, radio stations, and newspapers seem to have become bored with the fact that there are still thousands of refugees forced to leave their homes around the world and on our doorstep. We also see little of the thousands of people who live on our streets. Do I simply follow the guide of our press? Do I forget those humans who have no home through no fault of their own? Do I dehumanise them, labelling them unworthy, lazy, sub-human?

I am reminded that the God, who himself was a refugee without a home, summed up what it means to be human. Jesus said that we might consider our primary purpose in life is to love God and love our fellow humans. I'm off to wander around this field to consider what that means to me today as I choose to move into a new home. Perhaps you might join me and decide this month how we make a difference in another fellow human's life, who is without a home.

NEW WINE

I remember twenty years ago when I heard the name New Wine, I was looking forward to some refreshing vino. Of course, the more astute among you will realise that the title for the New Wine gathering comes from the parable Jesus spoke about.

New Wine United is one of the many different gatherings where those who seek to follow Jesus come together to celebrate, learn more about Him and to share in community. For the Cross family, the gathering of 10,000+ people every year has been key to our walk with Jesus. Year after year we come away revitalised, and the impact on our children over the years has been nothing short of amazing. Whether it is New Wine United, or another such gathering, I highly recommend setting this time aside once a year. A time to step off the conveyor belt of life and to be refreshed not by wine but by the living water Jesus spoke about.

Next year Max and Suzy will attend week one (27th July 2019) of New Wine United. All are welcome and more information and early bird savings (until 3 September) can be found at <https://united.new-wine.org>. See you there!

Hampshire and the Islands Historic Churches Trust

Ride and Stride

Saturday 8th September

More than 30 Counties throughout England (and more recently Wales) are involved in the sponsored Ride and Stride. Cycle, walk, run, ride or drive to raise money for the region's historic churches and chapels of all denominations. Participants seek sponsorship to visit as many churches on the yearly list as they wish. They plan their own route and set their own speed. Ride and Stride involves people of all ages who spend an enjoyable time raising money for repairs and restoration to the churches and chapels of Hampshire and the Isle of Wight. Half the money you raise goes to the church of your choice. You can also Gift Aid your sponsorship, which greatly increases the total raised; the tax recovered is retained by the Trust to add to its funds for future grants and loans.

In 2017 nearly 400 churches in the HIHCT region opened their doors for Ride and Stride. Although the day was affected by rain, the event has raised over £60,000 so far, including Gift Aid.

St Thomas Church has in the past been on the receiving end of funds to assist with upkeep.

Jean O'Farrell is planning to take part this year and is inviting people to sponsor her.

She can be contacted on 023 9283 3284

Sponsor forms are available from the Parish Office. More information from a Church Warden or Verger.

PARISH NEWS

ST THOMAS' PARISH ROOM 25 YEARS

Several years of planning by Rector, Rev Ian Coomber and Churchwarden, David Burrows, had gone into the extension at St Thomas Church. Early in 1993, work was started by Carrells, the local builders, to build the Parish Room and adjoining kitchen and toilet facilities, both at ground level and upstairs. David Hale was on hand with his camera to photograph progress on the building work week by week.

Above: St Thomas Church before work started.

Left: Work underway.

The existing vestry was incorporated and enlarged and new stonework designed to blend in with that of the 850+ year old church.

By late summer all was complete and ready to open. On September 26th, a service of dedication was held when the Bishop of Portsmouth, The Rt. Rev Timothy Bavin, dedicated the Parish Room.

The service was attended by former rectors Rev Kelvin Randall with his wife Jan (*left*) and Rev Norman Smith with his wife Ruth (*centre*). Rev Ian Coomber is with his wife Jill, *pictured right*.

It is hoped to mount a display of more of David Hale's photographs at St Thomas in September.

Beacon Foodbank

Beacon Food Bank is operated and accounted for by Portsdown Community Church, Charity No. 290803. We started small 10 years ago and it grew exponentially until we are now giving out nearly 1000 hampers, helping approximately 2500 people each year. We are supported well by all the local churches and many businesses. Donation points are in all the main supermarkets and volunteers come from both church and unchurched backgrounds.

People are referred to us by phone from many different agencies. The top four are: Children's Services, Job Centre, Housing Officers and Citizens Advice. This ensures that the client is getting the help they need as well as the short term help of the food. We also help rough sleepers in Havant in a slightly different way. Please feel free to come into our café, Beacon Lounge, during the week and talk to our staff about how it all works. Thank you for your continuing support. This year we need to raise £10,000 to cover operating costs for the next few years so if you have any fundraising ideas, please get in touch!

'In Flanders Fields the poppies blow'

Part 7 of a monthly series on the men of Bedhampton who lost their lives in World War 2 and whose names appear on the War Memorial in St. Thomas' or in the graveyard.

John Antony Carey (1917-1940)

2nd Lieutenant, First Medium Regiment Royal Artillery

John was born on 19th December 1917 in Uckfield, East Sussex to Lieutenant Colonel John Lionel Romilly and Mary Gertrude Carey (née Dobson). John was the third generation of Carey men to join the Royal Artillery. His grandfather, Major General William Dobree Carey DSO was followed by his son, John Lionel Romilly Carey who fought with distinction in the Great War, also earning a DSO and his grandson, John Antony Carey.

In 1939 John married Dorothy Margaret Shaw (1918-1964) in Portsmouth.

John was a 2nd Lieutenant Service No: 73053, First Medium Regiment, Royal Artillery. He died of wounds on 23rd May 1940, aged 22, on board a ship returning from France. It is more than likely that he had been seriously wounded in the Allied retreat towards Dunkirk. Both Calais and Boulogne were under siege at this time from German land and air forces. His sacrifice is commemorated on the war memorial in St. Brelade, Jersey (photo right) as well as in St. Thomas' Church, Bedhampton.

A local newspaper described his funeral *'Draped in a Union Jack, on which rested the deceased officer's sword and cap, the coffin containing the body of Lt John Anthony Carey*

RA, who died from wounds received at sea, rested before the altar at St Joseph's Church, Havant, on Monday night, prior to the requiem mass on Tuesday morning'.

At the time of John's death, his wife Dorothy was living in Bedhampton. Dorothy was to later marry Clement Colvin (1918-2007). She died in Tonbridge, Kent in 1964.

SAVE OLD BEDHAMPTON

What are Save Old Bedhampton steering group doing?

The ball is not in our court at the moment but we are working tirelessly to get a hard exit from the Draft Local Plan 2036.

The Draft Conservation Area review we commissioned, thanks to a £6.000 donation from a local Charity has been submitted to HBC. They are now assessing it's contents. The Council Officers will advise the council Cabinet who will meet and decide how to proceed with the review. This will involve a 6 week consultation in early autumn.

We have received The Landscape Review report (£720, financed by your generous local donations). The steering group has yet to decide how to use this report to greatest advantage. This report works in tandem with the Conservation Area review. We considered that the original Landscape and Capacity report (2015, was not subject to consultation) used by HBC as part of the evidence for the Draft Local Plan 2036, contained some errors pertaining to the Lower Road site (H22). The independent report confirms this.

As a result of the recent HBC publication, Draft Local Plan Summary of Submissions, we have been in touch with Historic England. We believe their representation has been down played by HBC and we are now assessing how best to use the information they have supplied. Watch this space.

A further tranche of your donations is being used to get legal advice on how we should react if we feel that decisions are being made without all the evidence being correctly evaluated.

SOB continues to lobby, consult and inform a very wide range of individuals, groups and organisations to maintain the momentum of the campaign whilst raising awareness both within Bedhampton and the wider community.

What are the Developers doing?

I am afraid we do not know. We assume they are drawing together a Full Planning Application for H22. This is a very expensive and detailed document which may well have little resemblance to either their Exhibition in March or the DCF in May. The developers

COMMUNITY FEATURE

of the 40 Acre site took 6 months from their DCF before submitting a Full Planning Application.

What are HBC doing?

They will be further refining the Draft Local Plan 2036 in the light of updated evidence and housing requirement figures. Many of the sites identified by HBC have become the subject of planning applications in the hope of gaining consent before The Examination in Public of the Draft Local Plan 2036 in early 2019. It is in this part of the process that we hope that given the new evidence we have submitted and coupled with less need for housing, they will take H22 out of the Draft Local Plan 2036. Unfortunately the land owners and developers could appeal any refusal of planning permission. If this were to happen we would endeavour to ensure that this would be at the same time as the Examination in Public by an independent Inspector of the whole Draft Local Plan 2036.

Spring and Summer Fun with Girlguides, Brownies and Rainbows

Rainbows May 2018

This term the Rainbows have been working hard towards gaining their next badge. The badge is called Festivals and they have to partake in different activities we have planned with the girls' help.

The girls learnt about a new festival May Day; they learnt that it originated as a Roman festival that honoured the beginning of summer season. We managed to teach the girls a simple maypole dance and they all enjoyed learning and dancing around the pole while watching different patterns form.

Jade

Brownies

I visited 4th Bedhampton Brownies on holiday at the Guide HQ on Hayling Island on 1st August. The theme was The Circus and the 14 Brownies were divided into 3 teams - Magicians, Acrobats and Clowns.

Becky, Kate, Gina and Beth with Vicki were busy helping the Brownies to decorate wooden spoons when I arrived. All were absorbed and very willing to tell me what they were doing. I was also shown the animal masks they had decorated, the finger puppets they had made and their named pictures by their beds.

They were very keen to tell me they had been to the beach via the park and I left them playing rounders and other games in the park.

All the Brownies were thoroughly enjoying themselves and there was plenty of laughter and chatting with the Leaders.

Well done to Becky and her team for giving the Brownies such a very happy and relaxed atmosphere in which to enjoy themselves.

I did love all the animal slippers!

YOUTH ACTIVITIES

Harry Potter-ing about!

4th Bedhampton Guides enjoyed a few days camping at Sandy Acres in Shedfield near Wickham at the end of May. The weather was gloriously hot and the theme this year was Harry Potter. The girls excitedly arrived at platform nine and three-quarters and boarded the Hogwarts express with their kit bags. The tents were soon up and using the sorting hat, the girls were allocated into the different Hogwarts houses; Gryffindor, Ravenclaw and Hufflepuff.

Activities over the few days included making broomsticks and wands and these were used to play quiddich. The first lesson was how to get onto your broomstick and learn how to fly it! We made and lit fires and made dampers and ate them with jam and chocolate spread. We sang campfire songs from the moment we woke up to the time our beds went down at night.

We made the most of the outdoors with the traditional wide games and the girls improved their camping skills and we made memories that will last a lifetime. (even if those memories consist of taking down wet tents at the end of camp in the torrential rain!)

There is something very special and empowering in taking time out of our busy lives these days to help and nurture youngsters. Thank you to my amazing Guiding team – Hannah, Ruth, Jane, Chloe and Maisie who made this all possible.

July has certainly been a very busy month!

The Scout Group did its usual great work in supporting the Bedhampton Summer Show and its fundraising for the Church. Unfortunately England had a world cup football match at the time so Judy and I could be found pouring tea/coffee with 2 radios and a mobile phone app. We did provide a free update service to those at the Show who cared!

The Beavers have had sports in the park and finished their term with a nice BBQ. The Beaver leader is already busy planning next term, including a trip to Paultons Park. (What a hoot!)

The Cubs have been kayaking (one week with not much water!) and also they went to South Harting for a camp with a few Scouts to help take in the Harvest. At the same time a number of Scouts and Explorers were busy stomping the South Downs for their Duke of Edinburgh Assessment.

Tomorrow the Scouts and Explorers start their main summer camp...This year it's a special Hampshire Jamboree called H0018.

I wrote at the end of last month the over optimistic words that there might be a chance to slow down after the summer show. Maybe next month :-)

It was great, but alas, now it's done.*

*And so, it's a jar

On 4th August 1918 King George V met to pray with members of the Houses of Parliament. One hundred days later, the war ended. Last month, 4th August 2018 was the first day of 100 days of prayer across the country, running until Armistice Day in November. Thousands of Christians across the country are using daily prayers, Bible readings and reflections from *100 Days of Peace and Hope*, which can be downloaded, a week at a time from

Afternoon Tea in July

On a very hot afternoon 17 ladies assembled at Woodstock Road to celebrate the Mothers' Union annual tea. The afternoon started with a prayer and quiet time of reflection about Myrna who had died the previous week. We then went on to sing a few verses of The Old Rugged Cross. Marion could not find the music for this in the hymn books but we had a rendering of the hymn found by Karen on Youtube sung by Harry Secombe and we were able to sing along. The reason for this choice was that when we had our musical afternoon with our friend Ruth Warren, Myrna had so enjoyed singing this old hymn and said it had brought back happy memories.

We then went on to enjoy our tea starting with home made rolls (courtesy of Karen) followed by scones, cream and jam; lemon drizzle cake (all made by Christine) and fruit loaf made by Sheila Jones. We were sorry Jackie could not join us as she is still recovering from her broken ankle (we thank her for the bottles of Schloer) and Sheila Legg has also been unwell. We hope they will soon be fully recovered. Marion's sister Pam was able to join us, plus Joan Paton, Eileen Newman and Elizabeth Hobbs. We hope they will join us again.

We were delighted to hear the news from Max at our Wednesday Communion service that his daughter Jessie has become engaged and we send the happy couple our love.

We are looking forward to our lunch outing to the Castle Inn in August.
