3. Make a nail and wool heart

   Mark out the shape of a heart on a small block of wood. Hammer nails in to form the shape of the heart. Wrap wool round the nails.

   This can be made using drawing pins instead of nails and thick cardboard or polystyrene instead of wood.

   What kind of a King is Jesus? He is the King of Love!

4. Decorate a paper plate and cup

   Jesus said 'Eat this and remember me'.

   Jesus said 'Drink this and remember me'.

   If you put these words somewhere on the plate and cup it will remind you of the part of the Easter story when Jesus shared a meal with His friends, the Disciples (Peter was one of them – do you remember from the last Messy session?). Read about it in Matthew 26 v 17-30. This is why we have the church service called Holy Communion when we have small amounts of bread and 'wine'.

5. Make a placemat for each member of the family.

   Use an A4 size piece of card. Perhaps you could put a drawing or photo of the person in the middle and then make a colourful border. You could add stickers to make a pattern or scene (a garden, a wood, the seaside, a jungle .....).

   For 4 and 5 : Remember to use Sharpies if you want the pictures to stay on!
