Dear Friends

“Promises... “

On Sunday 17th October I will be running the Great South Run (GSR) in aid of Portsmouth Down Syndrome Association. This will be my fourth time running the GSR and after the third ‘race’ I promised myself that I wouldn’t do it again! And, yet, here I am two years later committing to the same madness.

I’ve also embroiled my children into it! Grace, Joy and Beau will be completing the Great South Run Mini (1.5k) on Saturday 16th October.

I write this to remind us that there are some promises that are made in a moment that don’t last and there are some promises that surpass all time, space and present realm. Can you think of any examples of promises that haven’t stuck? I’m 100% confident that they would have all come from fallible humans, like me!. And that’s OK - because we aren’t meant to be perfect. I can think of one person who is perfect, and one person who keeps all his promises: Jesus.

I am the Bread of Life (John 6:35), I am the Light of the World (John 8:12), I am the Door (John 10:9), I am the Good Shepherd (John 10:11,14), I am the Resurrection and the Life (John 11:25), I am the Way and the Truth and the Life (John 14:6), I am the Vine (John 15:1,5)

But Jesus hasn’t left me just to fail with my promises, he has given me help and support to try again and to recommit to my endeavours. Within Jesus’ “I am” promises there is life, light, opportunity, love, hope, justice and growth - and so, it is with a new renewed spirit that I commit to my fourth Great South Run, praying and believing it will be better than the third!!”

We congratulate **Emily Ashworth** who has recently left us to continue her studies. Ride and Stride**

Whilst the Ride and Stride event went ahead in 2020, this year has been easier as there are fewer restrictions. St Thomas Church welcomed quite a number of regular annual visitors, cycling, walking.

These included John Butt from Idsworth, several on foot from Purbrook and our very own Administrator, Deb Vears, also cycling her way around the Deanery.

Well done to all those who took part.

Deb Vears writes: Those of us who were Riding and Striding were free to choose our own route and to visit as many of the churches as we wanted, between 10am and 6 pm. People cycled, walked, ran or drove to raise money for Hampshire and the Isle of Wight’s historic churches and chapels of all denominations. The weather treated us well and we were well refreshed along the way, with churches supplying water, biscuits and cake! The money raised from sponsors will be divided between the Trust and the church or churches of our choice.

A MESSAGE FROM SAM & CHLOE

We are sorry for our super delayed email and update! Life has been quite hectic and we were looking forward to being in the UK to update everyone face-to-face. However, due to being on the red-list it is pretty expensive to come back to the UK.

We have made a video for church family members with more information on what we have been up to and new plans! The video includes family news, Sam's work and then Chloe's. We also attach some individual photos; just enjoying teaching Zara Grace to walk when visiting some friends! We are so thankful for friends we can relax with!

We recently joined a new Home Church too (Churches are still closed here) and it was wonderful to get to know more like minded people. A real mix of backgrounds but all with a similar heart for community which was special. We held a press conference announcing the sponsorship and generous gift from Gorilla Bikes!

Left: Zwift set up for training.

Below right: Boys encouraging each other in their training.

MISSION NEWS

Zwift is a turbo trainer game for cyclists and runners that enables you to link up on a computer and makes indoor training fun.

Sam and Chloe have enjoyed doing barbecues with the groups of boys and girls after their intense training sessions; whilst Chloe was able to do some discipleship and mentoring with the girls. The few weeks ended in dancing and meat eating! Chloe has also been helping some of the girls with their cookery skills. Janelle (*below*) and Chloe made lots of cakes during lockdown.

Whilst one of the girls was so proud of her firstever cake baked that she came back with friends to make birthday cakes for families! We are so gutted we won't be seeing you in person this month! But hopefully next year!! There are some exciting announcements coming very soon.

A few prayer requests: The upcoming interviews and training for new team; visas; the registration process; miraculous funding for a land project; continued good health. Thank you so much for all your continued support, honestly we often reflect on how awesome our friends and family are. We wouldn't be able to do what we do without you, so thank you!

DID YOU FIND A DEFIBRILLATOR?

In an emergency do you know where the nearest defibrillator is situated in Bedhampton? A defibrillator is a device that gives high energy electric shocks to the heart of someone who is in cardiac arrest. This high energy shock is an essential part in trying to save the life of someone who is in cardiac arrest. You may be able to help.

We gave you the location of one; outside the Community Centre in Bedhampton Road, and asked if you have spotted any others in our vicinity?

Two have been spotted! Yes, at last one reader has been walking around with eyes open! Two defibrillators were spotted in Havant recently, one on the wall between Costa Coffee and Davis Pharmacy and one outside the Ex Serviceman's Club, Brockhampton Lane. Details of the procedure of how to use the defibrillator were given in the August issue. So, make sure you know where the nearest one is situated – we hope you will never need to use one, but safety first! Can you spot another one?

Send your answers to the Parish Office in Belmont Grove, marked 'magazine'. Or send by email Hello@bedhamptonparish.org.uk Keep looking! There is at least one more in Bedhampton.

Curious Things Spotted around Bedhampton

Pete Spencer

Some keen-eyed residents of Bedhampton spotted some additions to the community recently. But who is responsible for these wonderful creations? Each post box cover has a different theme, from Wildlife, the Sea to the Olympics. –Ed.

Even though the country has experienced the highest temperatures this summer, somebody has clothed various Post Boxes with a well fitting tea cosy of various designs and colours. They have been expertly crocheted representing the Olympics, bottom of the ocean, a hedgehog jamboree. Despite numerous enquiries, bribes, accusations that likely crocheting people have suffered by those 'investigatin' in the hope of an admission. The accusations have been met by such excuses as, "I've been in lockdown mate", "Nah, I only send emails now", "I'm allergic to wool", "Why always me?", "Beyond me, but could make you a bobble hat", "Arthritis dear, could have been me 40 years ago". Highlighting these works of art on a map may well indicate someone located centrally, such as Wigan Crescent!!!!??

Hobbycraft staff are full of denial, but then would be likely to retain any suspicions in case this clandestine customer decides to manufacture covers for all the public telephone cabinets, traffic lights or road signs, hence their future profits diminished. Give people an inch! Could there be a crotchety group of crocheters beavering away in the winter after dark? The U3A has so many various groups.....

Another mystery is how they have remained unscathed, accepted by the drunk, mischievous and bored youth. Except the one in Lower Road has disappeared, only the eyes remain. There are 6 hedgehogs on the one at Lester Avenue, is there a clue there....?

Is the reader able to throw any light on for instance when they appeared. All at once, in dribs and drabs, overnight? Possibly denied the evidence that someone has been seen in the act, is there anyone been seen out with their face blacked up, a small person with a bag and ladder perhaps; an obvious diversion of attention possibly. Strong rumour has it that it started in cosy Devon you know.

The start of Scout Camp on Sunday 15th August
Various activities were soon under way,
including Christmas preparations!

YOUTH ACTIVITIES

www.1stbedhampton.co.uk

1st Bedhampton Scout Group

Despite all the challenges we managed to have a Summer Camp this year! On Sunday 15th August, Cubs, Scouts, Explorers, Leaders and Helpers all assembled around a flag in a Scout campsite near Bournemouth in readiness for the start.

Whilst we were all a little rusty, the practice camps in July had helped a lot and part of Scouting is learning when things don't go perfectly to plan.

Such was the case with some Scouts who learnt you needed to stir baked beans! After learning this valuable lesson, plus the lesson of how to clean a burnt saucepan a few days later they managed it successfully (we don't cook baked beans every night).

We did a variety of exciting activities. At the end of camp some of the favourites were going to the fencing, tomahawk (axe) throwing (specially controlled), auto-belay climbing (like they do in the Olympics) and a "Gladiator Challenge". The Gladiator Challenge was a race straight up a vertical high ropes obstacle course to stand at the top on a thin narrow bar.

The theme of the camp was a year at camp. Sunday was New year, Monday was Pancake and Valentines, Tuesday was Easter, Wednesday was Summer Holidays (including a Bus trip down to the Beach), Thursday was Fireworks (including a brilliant campfire run by the Explorers) and Friday was Christmas. The Beaver Scouts are the youngest section, and we are planning a camp for them in September.

The Explorer Scouts (14-18) are running a recruitment campaign themselves which goes towards their awards. By the time you read this you will find details on our website (see above) and Facebook page (1st Bedhampton Scout Group).

Till next month, keep active, keep looking after yourselves and each other.

More photos on page 11.

*Nigel Vosper
Group Administrator*

Editor's note: Baked beans do not need to be cooked, just *gently* heated – and stirred!

COUNTY AWARDS
for Hayley and Dee

For those of you who are lucky (or unlucky) enough to be able to access Facebook, you may have seen that Hayley Gillians and Dee Humphris

were honoured to have been nominated for a Girlguiding Silver Standard Award. This presentation took place at the Marriot Hotel on Sunday 5th September.

Unfortunately, family and friends were unable to attend the afternoon tea and achievements afternoon but many awards were handed out and deservedly so.

As proud Mum to Hayley, I am pleased she has been awarded the Silver Standard, one of the higher awards in Girlguiding. She would be the first to say that you don't do Guiding for the honours; it is what you see through the girls that go through her unit, of which there have been hundreds, and still coming through for the foreseeable future.

Of course, Hayley could not do all of this without her dedicated team behind her, namely Jane Tandy, Ruth Hare and Hannah Cottam and of course 'long suffering' Gary who is always there for support! And it all began as a Brownie thirty-nine years ago! We are so proud of you, as I am sure Dee's family are of her.

PUZZLE PAGE

Wordsearch for October: Harvest

October brings us Harvest Thanksgiving, when we thank God for all the bounty of Creation. If you ever doubt God’s generosity towards us, just stroll down the aisles of your local supermarket: they are groaning with food of a vast variety, of every colour, texture and taste that you can imagine. Our God is a hedonist when it comes to food - He could have provided just a few basic edible things for us to eat; instead, the choice seems endless. But in the midst of all this bounty, take time to remember all the millions of people worldwide who are starving this month, desperate for any kind of food. Before God in prayer, decide how much you can give this month to one of the many charities who are trying to help people in need, and be generous.

HOUSING DEVELOPMENT APPROVED

from Portsmouth News

Bedhampton residents say heritage will be 'lost or damaged' as 50 homes will be built in a conservation area. Residents have spoken out about their concerns following a controversial decision to permit 50 houses in a Bedhampton conservation area. Following a formal public inquiry in February, the planning inspector has granted Bargate Homes permission to build 50 houses south of Lower Road in Old Bedhampton. The area includes a network of historic lanes, a tranquil setting, protected trees, and natural springs, ponds and streams.

After consideration, the inspector said although the 'distinctive character of the landscape would be diminished', the 'proposed housing would yield significant social, economic and environmental benefits'.

Nearby residents took an active part in the inquiry via the Bedhampton Heritage Alliance. Ron Tate, a retired planner and a member of the alliance, said: 'Bedhampton Heritage Alliance wanted to help the council fulfill their guardianship duty to protect and enhance the collection of designated and non-designated heritage assets found here - to protect them from irreparable harm for the benefit of future generations. This is unfortunately an ad-hoc decision that is not plan-led. Relationships and heritage assets that have survived for centuries of development will be lost or damaged.'

Bedhampton resident Alec Matthews added: 'These 50 houses will add less than half a per cent to the housing shortfall. So an arable field, ancient paths and the very nature of Lower Road – all in a conservation area – will be destroyed to meet government targets.'
