God's Healing Smile

In the late 1880's, the body of a young girl was pulled from the River Seine near the Louvre in Paris. The body showed no signs of violence but the pathologist is thought to have been so struck by her beauty that he made a wax plaster death mask of her face. The most striking feature was her smile, comparisons were made with the enigmatic smile of the Mona Lisa. Copies of the mask of this unknown girl or L'Inconnue – which translates as 'Unknown Woman' - soon became popular in the drawing rooms of Europe. Her face became a muse for famous artists, poets and writers.

Why the interest in her now? Well at long last we don't need to wear masks everywhere. For so long they have caused our glasses to blur, pulled off hearing aids, and obscured so much of our faces that we've missed important facial expressions, especially smiles in our daily lives. I've often heard people say 'Honestly, I'm smiling behind this mask' but maybe many of us have stopped smiling because after two years of being covered up we're out of the habit and have forgotten how therapeutic a smile can be. Just remember the smile is a first communication reflex infants have with their parents and how thrilling those first smiles are for all the family.

The priestly blessing given to Aaron through Moses, which we still use today, includes the familiar line 'May the Lord smile on you and be gracious to you'. The Psalmist believes that the Lord's smile gives greater joy than an abundant harvest of grain and grapes.

I know that I'm not very good at smiling but I'm going to try harder because I realise that a smile is such great therapy for the one who is smiling and the one receiving it. Why don't we all try this simple way of being a blessing to one another?

And finally, maybe you don't think you've ever seen the famous smile of L'Inconnue but if you've ever done a first aid course than you have because she still features as the face of Resuscitating Annie.

25 years ago, on 12th June 1997, London's Shakespeare's Globe Theatre opened.

Also 25 years ago, on 26th June 1997, J K Rowling's first Harry Potter novel, *Harry Potter and the Philosopher's Stone* was published in the UK.

St Nicholas Church Alterations

This project to completely replace and upgrade St Nicholas Church toilets is progressing well and on programme. At the time of writing in mid-May: a temporary toilet has been installed in the courtyard; steelwork to support the roof slab has been installed; window openings have been modified; demolitions are complete and construction of the new partitioning has begun.

My thanks go to everyone for tolerating dust, noise and disruption but it's all going to be worthwhile and we will be serving ourselves and the community properly. Thank you for staying away from the corridor to The Gwatkin which is where all the work is taking place. Building sites are dangerous places at the best of times and entering the site of the works is hazardous for you and the construction team.

FAMILY NEWS

We send our good wishes to those who celebrate anniversaries and birthdays this month including Peter Hirsch and Sheila Jones.

Belated special congratulations to Geoff Nellthorp who has just celebrated his 90th birthday.

THE QUEEN'S JUBILEE

This month the Queen makes history by celebrating her Platinum Jubilee. 70 years in the job! We join with millions across Britain and the Commonwealth who thank God for Queen Elizabeth's dedication, wisdom, and steadfastness over the past seven decades. She is the longest reigning monarch in British history. Up until recently she attended church every week and still did a full week's work at the age of 96!

The world has changed so much since 1952. But through it all, our Queen has kept her long-ago promise to the British people, to serve them with all her heart and might. And, because the Queen is a Christian, we know that God has honoured her and helped her in her role. Truly, God has blessed Queen Elizabeth II, and we thank Him for her.

Saturday 4th June, 3pm - **THE BIG JUBILEE PICNIC** – Bidbury Mead

On Saturday 4th June we are holding a Picnic to celebrate the Queen's Platinum Jubilee. It will be a great opportunity for us as God's people here in Bedhampton. All welcome.

Sunday 5th June: Jubilee Choral Evensong in Portsmouth Cathedral; 5.45pm
Sung by Portsmouth Cathedral Choir, RSCM Portsmouth & IOW and Parish Choirs from the Diocese of Portsmouth.

Messy Jubilee!

Sunday 5th June 10.30am at St Nicholas’

Since October we have been meeting on the first Sunday of each month for our fun-filled Messy Sunday sessions. In our last session we considered what talents and gifts we had. We thought about how we could use them to help others and to share our Christian faith. Among other games and activities, we decorated a photo frame, made a pink card piggy bank, did an experiment to blow up a balloon without blowing into it and got our fingers messy doing fingerprint patterns! All the families enjoyed learning about what the Bible has to say about our talents and gifts through the activities, stories and songs. Of course, as always, we ended with food – this time it was burgers and cakes. I’m sure everyone had some healthy and delicious fruit and veg later!!

As you can see, this month our theme is Messy Jubilee (what else on 5th June?).

Do bring your family and friends to this event - there is something for all ages. If you haven’t been before, come and get a taste of what our sessions are like. If you have, then be ready for some Jubilee surprises! Whoever you are you will be welcome at St Nic’s as we think about our Queen at this special time and consider how her faith has helped her work for our nation so tirelessly and with such dignity.

BEDHAMPTON VOLUNTEERS KEPT BUSY

Springtime has proved to be a busy time for the Volunteers, tidying and developing an area in Lower Road. This involved the removal of brambles, creating a pathway and steps with woodchips and planting donated shrubs and other plants, together with grass seed and turf. Cold winds did not deter the progress of digging holes, nor the repainting of fencing. Irises and wild garlic have also been transplanted and bird boxes installed.

The other project starting is the changing of the Chinese Restaurant into a Coop store where the shrubs are due to be removed to make room for the carpark. The plan is for the entrance to be widened and the 'island' containing the palm tree, flowering cherry and grasses to be removed. The Volunteers have looked after this garden area for many years and the plants and shrubs belong to the community, so are hoping to continue.

The Volunteers are hoping for old fashioned April showers, although this month has proved to be one of the driest for many years. Rain is needed for the successful transplanting of many shrubs. One local garden is in the process of being cleared, with plants being donated to the BVs.

Ongoing jobs include weeding, pruning, topiarising, mowing edges, spreading woodchip in five gardens separated by time in between creating them.

Just before going to print, rain has at last helped with the current donated shrubs and plants being planted, but some struggling with the dry conditions, though some of our grass grown from seed now needs mowing.

One piece of good news is that hanging baskets will once more be hung this year after a two year gap, and more volunteers are being recruited to water them when needed. One BV previously compiled the spreadsheet for the diary of the watering, but it is not known when he will next be in circulation here, as he's in Australia. Anyone with the expertise to produce one, please? (copy of the previous one is available) That's why it's important to know of people's preferences, as it's time consuming changing the format.

Volunteers may only be called upon to do some watering once a month if the rota works successfully. The watering of the hanging baskets will likely commence on 23rd May.

Many thanks to Park Place Nurseries at Wickham for 54 baskets now on their way. Contact Pete Spencer if you can help: 023 9248 2521.

Why aren't dinosaurs in the Bible?

The Bible wasn't written to list all the animals on earth or tell us about science. It was written a long time before people started to use science to learn about the world.

Wordsearch - Ukraine

Lord, we pray for Ukraine, a nation in which 70% of the population call themselves Christian. You, Lord, make wars cease to the end of the earth; you break bows, shatter spears, and burn shields with fire [Psalm 46:9]. And so, we ask you now to save the lives of many people in Ukraine. De-escalate this crisis. We hear of wars and rumours of wars (Matt. 24:6], but you Lord are our rock, our fortress and our deliverer. Our hope is in you. And so we address the nations now. In the name of Jesus we say: "Be still and know God! He is exalted among the nations; He shall be exalted in the earth [Psalm 46:10]. *Kyrie eleison – Lord have mercy.*

John Rutter pens new work after Ukraine invasion

The composer, John Rutter has written a new choral work in response to the invasion of Ukraine. The words of the piece, which are originally in Ukrainian, translate into English as: "Good Lord, protect the Ukraine. Give her strength, courage, faith, and hope. Amen."

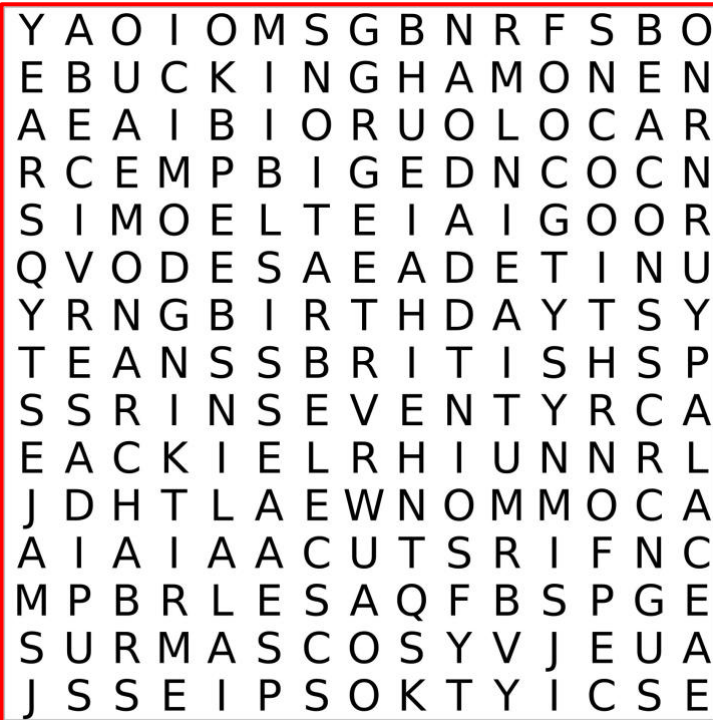

Wordsearch for June 2022

This year Her Majesty The Queen became the first British Monarch to celebrate a Platinum Jubilee marking 70 years of service to the people of the United Kingdom, the Realms and the Commonwealth.

Celebrations will include **The Queen’s Birthday Parade (Trooping the Colour)** on 2nd June when more than 1,400 parading soldiers, 200 horses and 400 musicians will come together. Beginning at Buckingham Palace, the Parade will move down The Mall to Horse Guard’s Parade, joined by Members of the Royal Family on horseback and in carriages. The Parade will close with the traditional RAF fly-past, watched by The Queen and Members of the Royal Family from the Buckingham Palace balcony.

Platinum Jubilee Beacons: The United Kingdom’s long tradition of celebrating Royal Jubilees, Weddings and Coronations with the lighting of beacons will also continue. Over 1,500 beacons will be lit throughout the United Kingdom, Channel Islands, Isle of Man and UK Overseas Territories.

YOUTH ACTIVITIES

1st Bedhampton Scouts

www.1stbedhampton.co.uk

Spring is in the air as I write this and there is a lot of planning going on for our Summer Camps. We are out and about a lot at this time of the year doing hikes, going for cycle rides and kayaking on Emsworth Mill Pond.

The whole of Havant District Scouting gathered in Staunton Park to celebrate St George's Day on 23rd April. St George is the Patron Saint of Scouting as well as England. It was great after 3 years to finally gather together and see the other

Scout Groups in the Havant District area.

It was a similar story on 10th April when we joined the Palm Sunday parade. Again, this was the first time in three years that we had been able to do this parade. We paraded across Bedhampton, enjoyed the Palm Sunday Service, put our painted pebbles of thanks in front of the cross and returned to Bidbury Park for games.

With Easter happening this month the Beaver and Cub Scouts have been doing Easter Egg Hunts and the

Scouts have been helping the Bedhampton Volunteers and doing teamwork challenges.

Till next month, keep active, keep looking after yourselves and each other.

The Meaning of Colours - part 1

In March, April and May this year the coloured frontal of the altar will have been changed many times – as will the colour of the priest's vestments.

Each colour – and there can be as many as six in a church's store – has a different meaning. They reflect the significance of that day or the season.

³
In March purple was used as a symbol of penitence, as we were in Lent and trying to prepare ourselves for Christ's final act of love for each of us.

Holy Week – the time of Christ's final journey – was denoted by the colour red. Red, the colour of blood, is used for feasts of martyrs as well as those for the Holy Spirit – when it more likely represents his flames of 'fire' which rested on those in the Upper Room. At St Thomas, we retained the purple colour until Good Friday.

On Maundy Thursday, we sometimes switch to white for any Communion service, as this celebrates the remembrance of the first Communion with His apostles which He commanded us to continue.

Good Friday, and we were back to red, although many churches strip away all colours.

Then on Easter Sunday, the day of the greatest Christian Celebration, we entered to an altar bedecked in gold or the 'whitest' with the most elaborate decoration the church possesses.

'Plain' White will be used for the Easter Season signifying purity and Christ's triumph over death until Ascension Day on 26th May. This, being a special and more significant day in the life, death and resurrection of Christ, goes to gold again: then immediately back to white for the next ten days.

On the day of Pentecost itself, Whit Sunday, 5th June, the colour will be? Yes, you got it, red for flames of fire.

Watch out for the changing colours indicating the special meanings that day has in the life of the church. If you could choose a different colour for a different or even one of the same meanings, what would you choose and why?

In June it will all change again, to green, this time for 20 weeks, so we will consider those next month. Like the green grass feeds the animals, this month spend some time just looking at a patch of grass or the leaves on trees from a distance. See the different shades and hues and when you next hear the gospel reading imagine sitting under those trees on that grass with Jesus Himself.

Pentecost - not a Ghost but a Gift. We used to call it Whitsun – 'White Sunday' because long ago children marched to church in white on that day. No processions nowadays, and we've even changed its name. It is now 'Pentecost', which is more accurate but needs explaining. More next month.

BEDHAMPTON MU BRANCH MEETING – APRIL 2022

The scheduled talk for 26 April was to be by our Rector, Max, on Camino de Santiago Part 1 but, regrettably this had to be cancelled at the last minute due to a family emergency which left our leader Ann with somewhat of a dilemma, as none of the other planned speakers were able to change their arrangements at the last minute.

What then to do????

In true Guiding tradition of being prepared, Ann had the brilliant idea of contacting our soon-to-be Curate, Jill Kingston to ask if she would be able to give a talk to the MU on her past career and how this led to her joining the Ministry.

Thankfully, Jill was free and came along that afternoon, complete with slides and illustrations, to talk about her career in the police force. At first, it seemed that working with the police and being part of the clergy seemed incongruous, to say the least but, as her talk progressed, it was clear to see how being in the police helped to assist in Jill's calling.

Jill began her career in the police as a very young recruit but quickly progressed up the ranks and was promoted to Inspector of the Marine Unit, co-ordinating events on water and preventing crime in general and was a post she found particularly rewarding.

Later, Jill took on the role of Inspector for Major and Royal Events which encompassed arrangements for members of the Royal family and visiting dignitaries and, as you may imagine, raised many issues – some quite amusing – when things didn't quite go according to plan.

Jill and her late husband were happily married for some years and had two beautiful girls who are her pride and joy. On her first day of returning to work with the police after a very serious illness and lengthy absence, whilst sitting at her desk, she felt God's calling so strongly that she immediately resigned to follow her new path into the ministry. Jill and her family have suffered several heart-breaking events but throughout all the traumatic and unhappy times, her faith has remained strong and, in fact, has grown stronger. Although, after her husband's tragic passing, she had concerns as to how she would manage her calling with the sole responsibility of her two girls, she never once wavered in her decision to walk with God. Latterly she has been working in a mental health hospital and particularly found that her knowledge of mental health issues, when working with the police, assisted her greatly in her understanding and ability to offer comfort in her work with the patients, so assisting in their recovery and bringing them closer to God.

After her talk, Jill stayed on to have tea which gave us all the opportunity to chat with her. Needless to say, both members of the MU and some friends from Trefoil who had joined us for the occasion, thoroughly enjoyed the afternoon and are so looking forward to July when Jill joins us as our new Curate.
