God of truth, help us to keep your law of love
and to walk in ways of wisdom,
that we may find true life in Jesus Christ your Son.

Rector's Reflection

You and I are perfectly set up to serve the community of Bedhampton by sharing God's love and friendship. Look at the gifts God has placed within our Church family. My mind wanders and I picture your faces and see gifts of giving, leadership, mercy, hospitality, service, faith and wisdom. Then others come to mind and God reminds me of the gifts of administration, prophecy, discernment, evangelism and teaching. There is a hunger in our nation, and within Bedhampton at this time in history, for more. The last few years have brought to people's attention that building a life on temporary things is without substance and ultimately unfulfilling. There has never been a better time for you and I to look outward and declare God's love in action and word. With our God, we are perfectly set up to share that love. What gifts do you bring to the journey?
