Dear Friends, "New Beginnings."

September is a month for a new autumn season and with it comes all sorts of new beginnings especially in the school calendar. I expect like me parents up and down the country will be busy sorting out school uniform, pencil cases and lunchboxes. Even in church we are moving on in the liturgical year, looking to Harvest and our preaching series 'fruitfulness on the frontline' - more on this coming shortly.

New things can be exciting. I have found much joy beginning my new role at Bedhampton, meeting new people, learning new things, and moving to my new house, but being out of my comfort zone has also been quite challenging.

Any new thing is stressful, change can be scary, starting a new school or joining a new class, worrying about making friends or finding your way around can cause us anxiety. I wonder if you have recently moved into the area or have thought about visiting St Thomas or St Nicholas. It can be nerve wracking turning up at a church for the first time but I can assure you of a warm welcome, I was also new a few months ago!

Stepping into a new way of being is difficult because of course with new beginnings something else must come to an end. Even through new and difficult things we know that God is always with us, he is alongside us in all we do and gives us strength to move forwards.

When St Paul first established his church in Philippi, he wrote joyful letters to the new disciples encouraging them in the new beginnings of their church. Paul knew that the Philippians would be finding it difficult with the challenges they had to face but he was full of confidence and trust in God. He prayed for the people there knowing that the life giving gospel of Jesus would give them strength.

Paul wrote: Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus (Philippians 4:6-7). Such wise words to keep us going in all that we do.

And finally, I leave you with some lines from a hymn I used to sing at school:

As I travel through the bad and good  
Keep me travelling the way I should  
Where I see no way to go  
You'll be telling me the way I know

And it's from the old I travel to the new,  
Keep me travelling along with you.

## SEPTEMBER ANNIVERSARIES

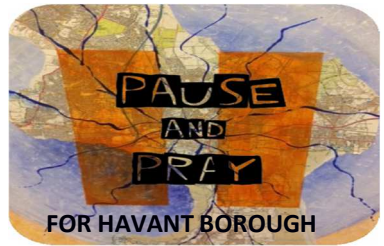

1900 years ago, from 13th September 122 to 128, Hadrian's Wall was built in northern England.

200 years ago, on 11th September 1822 the Catholic Church admitted that the 16th century astronomer Galileo Galilei might have been right about the Earth orbiting the Sun.  
100 years ago, on 13th September 1922 the highest temperature ever recorded in the world was reported to be 57.7 Centigrade (136 F) in Libya.

70 years ago, on 6th September 1952 a crash took place at Farnborough Air Show. A de Havilland fighter jet broke apart and fell into the crowd, killing 31 people.

30 years ago, on 7th September 1992 the radio station Classic FM began broadcasting in the UK.

25 years ago, on 11th September 1997 the people of Scotland voted in a referendum to establish their own parliament. (Opened July 1999).

## ALPHA COURSE

After several delays, the Alpha Course is starting on **Thursday 1st September**. It is a series exploring the Christian faith through video and discussion. Each talk looks at a different question around faith and Jesus, whilst sharing a meal together. Everyone is welcome. If you missed the first one, it is not too late. Contact the Parish Office for more information.

## GOD AT THE MOVIES Café style Summer Services

Over the summer, once again we held our Café style services at our 10:30am gatherings at St Nicholas with themes based around God at the movies.

What did we learn from our films? Did you know that Snow White is shown praying in her movie and "The Jungle Book" quotes John 15: verse 13? Perhaps Jesus might even use movies to reach out to us!

Similar themes were explored at our Holy Communion and Morning Prayer services at St Thomas'.

A Confirmation course is being planned. Contact the office for more details.

A London-based food redistribution charity set up in 2016 which rescues good, surplus food from the food industry that cannot be sold and would otherwise go to waste.

Annie Spencer, 23, is running a London half marathon early this month and wonders if you could donate to her charity. She has never run one before, not even a 10k, but is fit, always in the gym, and also has her first boxing match soon.

You can donate at:

## HOLY LAND TRIP 2023

Rev. Max Cross and Rev. Peter Hall are planning to lead a week’s pilgrimage to the Holy Land from 27th May to 3rd June, 2023; visits include Jerusalem, Bethlehem, Galilee, Nazareth, Capernaum, and the Dead Sea. If you are interested, please contact Max.

Saturday  
10th September

Ride+Stride Day is an exceptional opportunity to discover the rich heritage of our historic church buildings, see beautiful countryside, get some exercise travelling between the churches and have fun with friends and family. Ride and Stride is a chance for you, your family and friends to visit churches, chat with church representatives and learn more about the history and heritage of the churches. You can be sure the sponsorship money you raise will be used for repairs and restoration to the churches and chapels of Hampshire and the Isle of Wight.

As a participant your sponsored journey on Saturday 10th September 2022 between as many churches as you wish can be on foot, bicycle, scooter, horseback, canoe, bus or classic car, exploring and enjoying the countryside in Hampshire.

As there are over 400 due to be open you can have fun choosing which will be part of your itinerary. Many will have refreshments, some will have toilets open, and all should offer your group a warm welcome.

In 2021 Ride+Stride in Hampshire and the Isle of Wight raised over £60,000 of sponsorship money, including Gift Aid. This money helps to fund repairs to the historic fabric and features of churches as well as urgent repairs such as retaining walls in graveyards, leaky roofs and the installation of facilities to make Hampshire's historic churches, chapels and meeting houses of all denominations fit to serve local communities for future generations.

You are free to choose your own route and to visit as many of the churches as you wish, between 10 am and 6 pm.

You may cycle, walk, run, ride or drive to raise money for Hampshire and the Isle of Wight's historic churches and chapels of all denominations. The money you raise from your sponsors will be divided between this Trust and the church or churches of your choice or donate all your sponsorship monies to the Trust.

Entry forms are available on-line or from the Parish Office.

## SAM & CHLOE MAKE PROGRESS

Now that Sam and Chloe Mutton have moved to a bigger house, they have just acquired a bigger proper sofa, a corner one. This is the first step to making Uganda fully their home! They realise that they need certain things to make life sustainable (a room just for the family to relax.)

Community barbecues are just wonderful with around 35 people every week. A different crowd each time! One Friday Sam was out, Vicky who lives with them wasn't around either and none of the staff were coming. Chloe says, "It was awesome as our little Arabella was a bit fraught so I couldn't do much. Everyone chipped in so that it really felt like a community barbecue. Everyone took ownership of cooking, serving, music, cleaning, opening the gate, etc. It really has helped that everyone owns these evenings.

"We now have a new kitten! (A highlight for Zara-Grace and Arabella, *above right*, rather than Sam,)

"We hosted Sean and Helen in our new home (our first visitors!)

"Arabella is now sitting on her own."

Chloe managed to submit her recommendation letter info to the NGO bureau (15 documents). It is the next step of applying for a work permit where they will be able to not worry about visas for the next three years.

Family life has been busy and tiring, sadly with coughs and colds too, making for evenings when they just collapse!

## CYCLING

They now have containers on the land; one for cycle training, and one for a café. Eight new turbo trainers and eight fans are arriving sponsored by a US company, more than £10,000 worth of equipment for which they are very grateful.

## COMMUNITY

Sam has visited the community as a supervisor. As a team, they have been praying for the Holy Spirit to guide and use them in their visiting.

They have been able to run the second cohort of sandals training and have even given out resources for six women to start their businesses.

DISPAS (Diplomatic Spouse Group in Kampala) were very generous and gave MJF some money for the community which was used to buy a sewing machine for the sandals and for training. A team from the UK came and helped to run holiday clubs in the community. Friends cooked lunch, others volunteered and 200 children came. We continue to request prayer for the family and for all our projects.

# YOUTH ACTIVITIES

## 1st Bedhampton Scouts

[www.1stbedhampton.co.uk](http://www.1stbedhampton.co.uk)

This month it is my turn to update you on all that has happened in the Scout, Cub and Beaver sections as the term came to an end and summer holidays finally arrived.

In the last week of term was a Beach BBQ for the Scouts. After a dip in the sea the Scouts actually cooked their own BBQ. To his delight, they even cooked for Nigel and it was apparently very tasty. The plans are now fully underway for the two Summer Camps taking place during the holidays.

The Cubs had a great evening kayaking and crabbing at Emsworth. Well done to everyone (including Leaders) who capsized whether intentionally or not! As usual there were some unclaimed items after all had gone home. The rucksack was claimed but not sure if flip was ever re-united with flop!

## YOUTH ACTIVITIES

The Cubs also enjoyed an evening of extreme paddling and a beach picnic on a beautiful evening (*above*).

The Beavers recently had an enjoyable evening at Havant fire station. This was a second attempt as on the first visit all the fire engines were away from the station putting out fires. The Beavers asked lots of interesting questions and especially loved using the hose, under supervision of course!

The Beavers also had a great Sports evening at Bidbury park on what was a very hot day but it ended in a (planned) water fight and everyone went home soaking wet and much cooler. The final Beaver evening was park fun (*photo on page 12*) followed by a very tasty BBQ at Akela's house.

We look forward to seeing you all in September and probably some new faces as the boys and girls move into different sections.

*Karen Fairley*

## YOUTH ACTIVITIES

### 4<sup>th</sup> Bedhampton Guides at

I accidentally came across the 'International Day of Friendship' which was on 30th July this year and it made me think about friendship at a grass-roots level in our Guide unit. The United Nations summed it up very well on their website and whilst we alone cannot change poverty, or the understanding of peace, the sentiment of developing strong ties of trust and bonds of camaraderie within a safe environment for girls, really struck a chord with me. Our recent sleepover and funland experience proved that friendship and thinking of others, really is one of the most important things in the world.

### ***Sharing the human spirit through friendship (UN)***

*Our world faces many challenges, crises and forces of division — such as poverty, violence, and human rights abuses — among many others — that undermine peace, security, development and social harmony among the world's peoples.*

*To confront those crises and challenges, their root causes must be addressed by promoting and defending a shared spirit of human solidarity that takes many forms — the simplest of which is friendship.*

*Through friendship — by accumulating bonds of camaraderie and developing strong ties of trust — we can contribute to the fundamental shifts that are urgently needed to achieve lasting stability, weave a safety net that will protect us all, and generate passion for a better world where all are united for the greater good.*

*Hayley Gillians – Guide Leader*

## YOUTH ACTIVITIES

*The Guides enjoyed their day out at Funland, Hayling Island.*

*The Beaver Scouts enjoyed a great Sports evening at Bidbury Mead.*

### **BEDHAMPTON CRICKET CLUB CELEBRATES 150 YEARS**

Bedhampton Mariners Cricket Club was established in 1872 and plays on Bidbury Mead. They are celebrating 150 years as a club in this year.

At the beginning of August, the club held a day of coaching masterclasses, a legends match featuring former England internationals Monty Panesar, Rikki Clarke, Mike Collins and other returning Bedhampton Club legends. The event was well supported, a day to remember. The match was high scoring with the current XI posting 299 and the 'legends' team bowled out just six runs short of victory.

The day finished with a special awards presentation with Questions and Answers with three former cricket pros.

Family entertainment was also provided with face painting and a bouncy castle for children. Keen youngsters from both Bedhampton and Emsworth Cricket Clubs took part in the coaching masterclasses.

It could be a summer to remember for Bedhampton with the club's 1<sup>st</sup> XI top of the Hampshire League Division 4 South. The Mariners also started up an All Stars programme this year catering for youngsters aged 6-10. There is also a 10-12 years group.

**Wordsearch - The Parable of the Weeds (Matthew 13.24-30)**

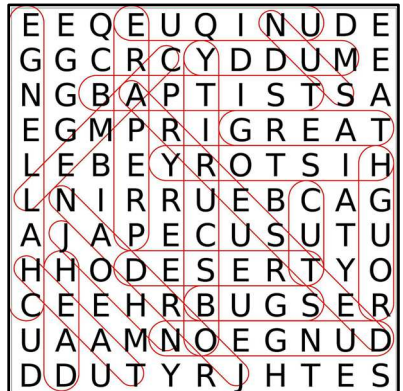

Do you ever wonder why there is both good and evil allowed in this world? Jesus told a parable that touched on this subject – it is called the Parable of the Weeds. It runs like this: Consider the world as if it were a field where a Farmer has sown good seed. But then an enemy came and sowed weeds among the wheat. So, when the wheat came up, so did the weeds. What to do? Instead of destroying the weeds, and thereby risking the wheat, the Farmer tells his reapers to wait and let both wheat and weeds grow together until the harvest. At the harvest he will instruct the reapers to gather up the wheat, but to discard the weeds. So do not despair when evil seems to thrive in this world – there is a reckoning still to come, and justice will be done.

## BACK TO SCHOOL

September is that time of year when we get back to school after the summer break, along with our other routines. As disciples (literally: *learners*) we are all called to learn from Jesus and live like Him. God wants us to make a difference as disciples in our school and workplace, family and friends.

As Paul writes:

*'And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him.'* (Colossians 3:17).

*'WHATEVER you do'*: God is at work in every aspect of our lives. He can use whatever we do to make a difference to those around. Do we believe this? Our lives shouldn't be like an orange, segmented into the sacred and secular, but more like an apple, in which the whole is available to God.

*'Whatever YOU do'*: God wants to use us to share God's love with the people around us, wherever we spend time. We can trust Him for the resources we need hour by hour, day by day, year by year. What do we need from Him?

*'Whatever you DO'*: Our work is for God alone, as a response to God's love for us. How does this perspective make a difference when what we do seems hard, unrewarding, or unappreciated by others?

A man standing on a train platform was asked one day: *'Who are you?'* He replied, *'I am a Christian thinly disguised as an accountant.'* If we were asked the same question, I wonder what we would say. As disciples of Jesus Christ, our identity is rooted in God and His call upon our lives. For each of us, September represents going back to school with Jesus, to learn how we can live for Him.

Quotes:

God works in us and with us, not against us or without us. - *John Owen*

If you don't want to reap the fruits of sin, stay out of the devil's orchard. - *Anon*

## August Update

We were so pleased to be able to hear Max give us a talk with pictures of his walk along the Pilgrims' way from Santiago to Compostella. Sadly the talk had been delayed several times but at last the day arrived. It was very interesting looking at the various stopovers and hearing about peoples' reasons for undertaking this walk.

The talk was followed by our usual tea and delicious biscuits and plenty of chatting. We looked forward to having our summer lunch at The Castle, Rowlands Castle. On the day towards the end of August, ten ladies enjoyed a lovely meal together.

There will not be a meeting in September as we encourage members to join in the Harvest Festival service at St. Thomas. In October there will be our annual coffee morning to be held on Saturday 29th at St Nicholas Church. Details to follow in the next magazine.
