Dear Friends

I wonder if the joy of the summer is quickly becoming a distant memory for many of you as we move into September. Young people are heading back to school and parents and grandparents back to their usual schedule.

Some of us may be content to be back to a normal routine as we've juggled work and childcare during August, but I pray that you've all been able to find some rest and spend time with the ones you love over the summer.

At St Nicholas during August, we held café church services, where we focussed on a film each week to see where we could see 'God at the Movies'. One of the films we looked at was The Jungle Book and we enjoyed watching Baloo the Bear singing 'The Bare Necessities'. Baloo teaches his new friend Mowgli to "forget about your worries and your strife" and to focus on the simple things in life. Baloo invited us to reflect on the value of contentment and simplicity. And we watched him playing and loving life with his new friend.

Baloo gave thanks for the blessing of friendships. He sings about how he and Mowgli are fond of each other and how they couldn't be happier. What a lovely relationship - friendship and love is so important in our lives and alongside our relationship with God, this can help us to weather any storm.

Jesus teaches us to find contentment in our life. 'Can any one of you worrying add a single year to your life?' Jesus says in Matthew's Gospel. The answer is of course - No! Jesus reminds us to surrender our concerns to our God, have trust and faith in Him and know that He is always there to listen and support us. However hard it is to trust and let go of our worries, we know by releasing our anxieties, we create space for peace and tranquillity and God's spirit to enter our lives.

Blessings

Jill

HOLIDAY TIME DISCOVERIES

Many have enjoyed the morning gatherings at St Nicholas Church throughout August as they discovered some important messages in Disney films.

Meanwhile, at St Thomas, congregations have been learning about the stories behind some of their favourite hymns, the first one sung at the King's Coronation; more of these to come in September.

THE STORY BEHIND THE HYMN: **Be thou my vision: tune: Slane**

"Be Thou My Vision" is one of the world's oldest hymns with origins in 6th century Ireland and is said to be a favourite of King Charles, not forgetting our own Rector, Max Cross. The text is based on a Middle Irish poem attributed to Dallán Forgaill. Two variants of Eleanor Hull's 1912 English translation exist; one version, commonly used in many modern hymn books, (shown below) although it has been updated in more recent years. Since the early 20th century, the text has been sung to an Irish folk tune, known as 'Slane'.

The words of "Be Thou My Vision" were first combined with this tune in 1919 harmonised by Leopold L Dix, 1861-1935, and in a new version harmonised by David Evans in 1927.

It was common practice to attribute hymn tune names to the place where they were collected by folk song collectors, such as Vaughan Williams who co-edited The English Hymnal, published in 1906. Slane is a village in Ireland.

In our hymn book, the music has been rearranged by Colin Hand in 1993.

Be Thou my vision, O Lord of my heart
Be all else but naught to me, save that Thou art
Be Thou my best thought in the day and the night
Both waking and sleeping, Thy presence my light.

Be Thou my wisdom, be Thou my true word
Be Thou ever with me, and I with Thee, Lord
Be Thou my great Father, and I Thy true son
Be Thou in me dwelling and I with Thee one.

Be Thou my breastplate, my sword for the fight;
Be Thou my whole armour, be Thou my true might;
Be Thou my soul's shelter, be Thou my strong tower,
O raise Thou me heavenward, great power of my power.

High King of heaven, Thou heaven's bright Sun,
O grant me its joys, after vict'ry is won;
Great Heart of my own heart, whatever befall,
Still be Thou my vision, O Ruler of all.

The tune is also used for other hymns, Lord of all hopefulness, Lord of creation, and a wedding hymn: God in the planning and purpose of life.

PARISH NEWS

Off on our sailing adventure

A year ago, Nigel and I, together with our good friends Sally and Simon, purchased a 50-foot yacht which we renamed "Cassini". After a tough 12 months of maintenance, updating, renewing, replacing, cleaning, and repairing, we are now ready to set off on our adventures.

Jill very kindly offered to come and bless our boat. She arrived with water from Walsingham and sprigs of rosemary freshly picked from St Thomas. Prayers were said, blessings given, and the blessed water sprinkled on our boat and ourselves. Sally read two prayers her vicar, Grant, had written.

It has been a tough 12 months reaching our goal. We can now set sail knowing we have God's blessing and protection over us and prayers from Max, Jill, and Grant.

Many thanks to Jill for coming on board and giving us the lovely thoughtful blessing and to Max and all my friends at Bedhampton for the love, support and prayers you have given me in the past and over the coming months.

Help more children get back to school this month

As our children return to school this month, World Vision has been reporting on its work in countries where more and more children will NOT be going to school this autumn.

Instead, the worldwide cost-of-living-crisis means that such children will either be skipping meals to make ends meet, unable to go to school because of the fees, 'sold' into early marriage, or sent to work as child labour.

In a number of countries, *higher costs are driving the* shocking rise in malnutrition and hunger. A high percentage of families are keeping their children out of school and some have sent their children to work. Meanwhile, significant numbers of families in Afghanistan and Niger are using child marriage as a coping mechanism for decreased income.

If you can help World Vision to provide help for such children, go to:

How to fight back against artificial intelligence

I've been writing Christian comment columns for newspapers and radio for more than 30 years – but I had a shock when I asked an artificial intelligence computer programme to write one for me.

The question that I posed was simple. Could an AI programme produce a column that would match up to one penned by a team of writers who regularly produce articles for a local newspaper in St Albans, my home city north of London? These are all people who know the area and have a living faith.

The answer? The AI fared pretty well and - worryingly - it produced several insights that could have been written by one of our experienced team.

My experiment with artificial intelligence gave me a glimpse of what AI can already do, with - looking ahead - the potential for 'systems with human-intelligence' to make radical changes to society, including taking away people's jobs and making 'fake news' much easier to invent and distribute.

Many people are worried. A group of technology leaders have called for a pause in development while we study AI's potential impact.

But what 'my' AI-generated article lacked - and, of course, it would - was a living faith that would inform its writing. For anyone who is a Christian communicator - from the pulpit, online, in print, via video or drama or in our personal lives - this is a vital lesson.

In an age when AI can generate sermons, write articles and design compelling graphics, those of us who seek to speak about the faith, and bring others to it, will need increasingly to 'bring ourselves' into our messages.

Like John the Baptist, we need to be pointing to Christ - always - but it'll become increasingly vital that we bring our own lived experiences, our testimonies, into how we communicate.

That's the challenge for all Christian communicators, and anyone seeking to share their faith. Words and arguments that could be drawn from a text-book or the web can easily be replicated by AI programmes.

Actions of love, and sharing our personal story will always be the most persuasive way of presenting Christ's gospel of sacrifice and love.

And AI - I pray - will never be able to match that authenticity and truth.

Bidbury Mead Women's Institute

In March of this year Bidbury Mead Women's Institute held their last meeting before closing.

This WI was first set up in April 1977 and held its meeting in the Gwatkin Hall. It very soon became well established, with a waiting list of ladies wishing to join. Due to the size of the hall, we later moved into the Main Hall and at the largest numbers we had 85 members. The Women's Institute was started all those years ago to educate women, provide friendship and also support. The WI Denman College in Abingdon, near Oxford, was

regularly attended by members often more than once. We voted on and supported many resolutions put forward by members which has helped to improve our environment for the better.

We competed in quizzes, darts and skittles and were keen supporters of the WI Staunton Group.

COMMUNITY NEWS

One of our Presidents, Ruth Dannatt, got members to make the local railway station, Bedhampton Halt, an attractive place for the trains to stop with flower hanging baskets and shrubs. They also got involved helping John, the Station Master, with a rota of ladies watering and caring for the plants.

Our members celebrated 100 years of the Women's Institute in 2015, many dressed in period costume, walking to Havant to catch the train to Portsmouth. There they handed over the Centenary Baton to the Victory Group by HMS Victory in the Dockyard. We have supported local

charities including 'The Women's Refuge', the National Litter Pick, running the Cake Stall at the Bidbury Summer Show and donating the 'Spider Bin' on Bidbury Mead. Years ago, we used to play rounders on the Mead.

Craft, Book and Gardening groups have been set up over the years, coffee evenings and mornings too, these social groups have continued, but not under the WI banner.

COMMUNITY NEWS

Just before Lock-down the W.I. Committee met in Bidbury Mead on the Saturday morning, with a view to maintain contact during the coming months with those that were on their own. It was decided that they would be supported, by doing their shopping or just talking on the phone.

For those ladies that first set up Bidbury Mead Women's Institute all those years ago and some were still members up until March, I would like to thank them for enriching my life as a member and also my time over the years as their President.

HAVANT DEANERY

MARY SUMNER DAY SERVICE

On Wednesday 9th August, Mary Sumner Day was celebrated by the Havant Deanery, which took place at Christchurch Church, Portsdown, Cosham at 2.00.p.m.

A request was put out for all Branches to bring their Mothers' Union Banners if at all possible. Well, how could we not fulfil this request and in total there were five Branch Banners and of course the Havant Deanery Banner. See photos below (taken by Ann Partridge). It was a lovely service, which was led by the Rev Andy Wilson.

After the service refreshments, and of course the inevitable raffle took place. Our thanks to all those that helped. The MUE stall was on hand to sell the lovely cards and gifts and there were Christmas cards. One can never be too early for the Mothers' Union to get organised.

The next Mothers' Union Havant Deanery Service will be the Advent Service in November at 2.00.p.m. which will take place at St. Thomas' Church, Bedhampton with the Rev. Jill Kingston leading the proceedings.

YOUTH ACTIVITIES

Bedhampton and Waterlooville Guides had another magical week away with fabulous adventures at camp, at the beginning of August - this time we travelled into space!

Girlguiding
Bedhampton District

We played, we laughed, we learnt new skills, we learned to co-operate and to share;

we cared, we cried, we hugged, we went to 'Janet planet' again 🌸 and bounced to the moon and back in moon boots!

We cradled baby aliens; we went down zip wires and along rope bridges.

We sang, we toasted marshmallows over green flames, 🔥 we 'tent-yoga-ed', 🪁 we went grass sledging, and we played games in the galaxy bar.

We cooked, we crawled around the site in a wide game without being caught and celebrated a camp birthday. 🎵

We created amazing space art. 🌌 We danced and moon-walked.

YOUTH ACTIVITIES

We were brave, fearless and took on the biggest of challenges with a camp of almost 40 at Heron's Wey in Tilford, near

Farnham. Even when the weather changed, it didn't dampen our smiles!

More importantly, we had a wonderful week of friendship and we made special memories that will last a lifetime.

The true Girlguiding Spirit is burning brightly in Bedhampton.

Wordsearch – September

For some reason, the Church gives thanks for angels in September. The 29th is the feast day of Michael and All Angels. Since the days of Genesis, these messengers of God have been sent many times to intervene for the good in human affairs. Angels guarded the Garden of Eden, they led Lot away from Gomorrah, they helped Gideon, they stopped Balaam, they closed the mouths of lions for Daniel, and, most important, the archangel Gabriel was sent to tell Mary that she would mother the Messiah. Angels sat in the empty tomb of Jesus and told of His Resurrection. Revelation is teaming with angels, sent on all sorts of missions by God in the last times. Today, many Christians in the world's hot spots report having had angels help them when in mortal danger.

Today is a busy day. I'm juggling planning next week's Scout Summer Camp, finishing a number of work tasks and writing

this article. I also need to find time to be a Husband and Father.

Both my Wife and Daughter woke up as I wrote this and were quick to make that point!

It sums up the busyness of July for myself and I believe many others. It started with the Bedhampton Summer Show. The next weekend we did a car wash. The following weekend was the Beaver Scout "Pirate" Camp which took place at Lyons Copse near Wickham. Beaver Scouts are the Groups youngest section and for many it would be their first camping experience. There was great fun and smiles despite a wind that regularly blew out the stove.

The end of term was also busy in the week. There has been Kayaking, Rector's Stream Cleaning (thank you Max!), Beach Parties, Rifle Shooting, Water Fun and Picnics. The Scouts were also welcomed to do lawn bowling at Bedhampton Bowling Club whilst the light was good. Thank you to Bedhampton Bowling Club for hosting us. It was great fun and not as easy as it looks!

I am pleased to say that Jess has agreed to become our Beaver Scout Section Leader from September whilst Mel has her baby. Thank you, Jess!

It allows me also to re-start my campaign for another Scout Leader/Helper which I put on hold whilst the Beaver leadership issue was ongoing. There are 4 regular Scout Leaders and Helpers that run the Scout (10 ½ - 14 year old) section. This allows us to go up to 24 Scouts. We are getting to that limit so I need either one regular or a few semi-regular leaders or helpers to expand further.

We also need some more help with our Executive Committee which supports the Group but isn't a weekly commitment. Please see our website and let us know of anyone interested.

*Nigel Vosper
Scout Leader*

Dear Father in heaven,

September is a time of change, a change of season, changes in many areas of our lives as a new term begins and new opportunities present themselves. It can be a time of challenge and uncertainty for many of us as well as excitement. Help us to be faithful to You as we take each step forward, each new day.

The first camping experience for the Beavers.

July Activities

On 25th July, our branch members and invited guests spent a very interesting afternoon at The Elms.

The Elms is a beautiful Grade II listed building housing five self-contained apartments and a regency banqueting hall which is used by the community for meetings and events.

It is run by volunteers of The Manor Trust Bedhampton, a small Charity which was founded in 1967 and looks after both The Lodge Care Home as well as The Elms.

The volunteers are also responsible for maintaining the Bedhampton Historical Collection [BHC] and, on this occasion, were kind enough to arrange a special viewing for members of the Mothers' Union.

The BHC is a significant resource of antiquity and knowledge and we were able to view some of the Collection's photographs, maps, books and other documents relating to the history of Bedhampton and the surrounding area: some documents and maps date back several centuries and it was very interesting to see areas where many of us now live and view first hand the changes which had taken place over the years.

After conveying our sincere thanks to the volunteers on hand to assist us with our many enquiries, we were treated to afternoon tea in the Waterloo Room.

The Trust puts on various programmes during the year, and holds a monthly Community Café and weekly Lunch Club, in addition to offering pre-loved books for sale during community events. Anyone who is interested in supporting the Charity by attending any of these, please contact 02392 484444 or email trust.office@manortrust.org.uk

The Mothers Union usually meets on the fourth Tuesday each month from 2-4pm at St Nicholas Church. Our next meeting will be on Tuesday 26th September when Jill Kingston, or Curate, will be speaking on the subject of sign language.

We are happy to help.

We are a friendly, local company offering a broad range of services which include:

- Gas boiler servicing, repair & replacement
- Central heating repair & servicing
- Boiler maintenance contracts

We also offer • Emergency help (even out of hours) • Plumbing services • Powerflush system clean
• Gas safety certificates – homeowners and landlords • Central heating reports for property purchases

I'd recommend
you to my friends.
